COUNCIL DECISION

on the position to be taken on behalf of the European Union in the Committee on Customs established under the Free Trade Agreement between the European Union and the Republic of Singapore, as regards the amendment of Protocol 1 concerning the definition of ‘originating products’ and methods of administrative cooperation

DECISION No 2022/01

**OF THE COMMITTEE ON CUSTOMS OF THE FREE TRADE AGREEMENT BETWEEN THE
EUROPEAN UNION AND THE REPUBLIC OF SINGAPORE**

of ...

**modifying certain elements in Protocol 1 concerning the definition of the concept of
'originating products' and methods of administrative co-operation and its Annexes**

THE COMMITTEE ON CUSTOMS,

Having regard to the Free Trade Agreement (hereinafter, 'the Agreement') between the European Union and the Republic of Singapore, and in particular Article 34 of Protocol 1 and Article 16.2 of the Agreement,

Whereas:

- (1) Article 34 (Amendments to this Protocol) of Protocol 1 to the Agreement provides that the Parties may, by decision in the Committee on Customs established pursuant to Article 16.2 (Specialised Committees) of the Agreement, amend the provisions of Protocol 1 to the Agreement.
- (2) Amendments were introduced on 1 January 2012, on 1 January 2017 and on 1 January 2022 in relation to the nomenclature governed by the Convention on the Harmonized Commodity Description and Coding System ('HS'). The Parties have agreed to update Protocol 1 to reflect the HS 2022.
- (3) The Parties have agreed to modify the scope of the annual quotas set out in Annex B(a) for canned luncheon meat, curry fish balls and cuttlefish balls.
- (4) Article 17 (Conditions for Making Out an Origin Declaration) of Protocol 1 establishes that an origin declaration may be made out, in the European Union by, inter alia, an exporter who is an approved exporter, and in Singapore by, inter alia, a registered exporter. To provide equal treatment of the economic operators in both Parties, Protocol 1 shall be amended so that each Party may decide, according to its laws and regulations, which exporter may make out an origin declaration. For that purpose, a definition for 'exporter' would therefore be necessary.

- (5) Considering the new definition of ‘exporter’, the term ‘exporter’ in the definition of ‘consignment’, Article 13 (Non Alteration), and Article 14 (Exhibitions) of Protocol 1 needs to be replaced by the term ‘consignor’.
- (6) Paragraph 5 of Article 17 (Conditions for Making Out an Origin Declaration) provides that an origin declaration shall bear the original signature of the exporter in manuscript. The Parties have agreed to waive this requirement to facilitate trade and to decrease the administrative burden of benefitting from the tariff preferences of the Agreement.
- (7) There is a need to clarify in the definition of ‘ex-works price’ how the term ‘manufacturer’ is to be understood when the last working or processing is subcontracted.
- (8) Considering that both Parties shall apply a system of registered exporters, the document on origin made out in the Parties should be renamed from ‘origin declaration’ to ‘statement on origin’
- (9) As a transitional measure, it should be provided that for a period of 3 months starting from the date of entry into force of this Decision, Singapore will accept origin declarations made out in accordance with Article 17 (Conditions for Making Out an Origin Declaration) and Article 18 (Approved Exporter) of Protocol 1 to the Agreement in force prior to the date of entry into force of this Decision.
- (10) Protocol 1 to the Agreement and several of its Annexes should therefore be modified.

HAS ADOPTED THIS DECISION:
