Statement by Cyprus

“Cyprus is concerned by information regarding efforts to grant the secessionist entity in the occupied territory of the Republic of Cyprus an observer status during the upcoming Summit of the Organisation of Turkic States (11 November 2022, Samarkand, Uzbekistan), in which some Central Asia countries are members. Admitting the secessionist entity in any regional or international organisation would run contrary to international law, including UNSC resolutions 541(1983) and 550(1984). We underline that any such development would have significant repercussions, not only on Cyprus’ relations with any country supporting or assisting in this effort, but also Cyprus’ position vis-a-vis EU-Central Asia relations.

Furthermore, full respect to the sovereignty and territorial integrity of all states should be reaffirmed in the Joint Declaration of the EU-Central Asia Sustainable Connectivity Conference.”

Statement by the European Commission

“The Commission considers that the Council Decision should be addressed to the Commission, and therefore considers the changes to Article 3 to be inappropriate. The expression of the Union position in a body set up by an agreement is an act of external representation of the Union which, in accordance with Article 17(1) TEU, is the institutional prerogative of the Commission. The Commission reserves all its rights in this regard.”
