ANNEX

ANNEX

to the

proposal for a Council Decision

**on the conclusion, on behalf of the European Union, of the Agreement between the
European Union and Japan on certain aspects of air services**

AGREEMENT BETWEEN THE EUROPEAN UNION AND JAPAN ON CERTAIN
PROVISIONS OF AGREEMENTS BETWEEN MEMBER STATES OF THE EUROPEAN
UNION AND JAPAN FOR AIR SERVICES

THE EUROPEAN UNION and JAPAN,

NOTING that, under the law of the European Union, air carriers, which have a valid operating licence issued by a Member State of the European Union and are established in a Member State of the European Union, have the right of non-discriminatory access to routes between Member States of the European Union and third countries;

HAVING REGARD to the agreements between the European Union and certain third countries providing for the possibility for such third countries and their nationals to acquire ownership and control of air carriers licensed in accordance with the law of the European Union;

RECOGNISING that consistency between the law of the European Union and certain provisions of agreements between Member States of the European Union and Japan for air services will provide a sound legal basis for air services between the European Union and Japan, preserve the continuity of such air services, and contribute to the further development of the relationship between the European Union and Japan in the field of air transport; and

NOTING that it is not a purpose of this Agreement to affect the interpretation of the provisions of existing agreements between Member States of the European Union and Japan for air services concerning traffic rights,

HAVE AGREED AS FOLLOWS:

ARTICLE 1

For the purposes of this Agreement:

- (a) "Contracting Party" means a contracting party to this Agreement;
- (b) "Member State" means a Member State of the European Union; and
- (c) "party" means a contracting party to the relevant agreement between a Member State and Japan for air services listed in Annex I.

ARTICLE 2

1. The provisions in paragraph 2 of this Article shall apply in place of the corresponding provisions listed in Annex II-A.

2.(a) Each party reserves the right to withhold or revoke the privileges, the rights or the authorisation specified in the corresponding provisions listed in Annex II-B in respect of an airline designated by the other party, or to impose such conditions as it may deem necessary on the exercise by the airline of the privileges or the rights, or on the authorisation, in any case where one of the following conditions is satisfied:

(i) in the case of an airline designated by the party which is a Member State:

- (A) the airline is not established in the territory of that party or does not have a valid operating licence issued by a Member State in accordance with the law of the European Union;
- (B) effective regulatory control of the airline is not exercised or not maintained by the Member State responsible for issuing its air operator's certificate, or the relevant aeronautical authority is not clearly identified in the designation;
- (C) majority ownership and effective control of the airline are not vested in Member States or States listed in Annex III, or in nationals of such States;
- (D) the airline does not have its principal place of business in the territory of the Member State from which it has received its operating licence;

- (E) the airline has been given operating permission under an agreement between another Member State and Japan for air services, and Japan can demonstrate that it would be circumventing restrictions on routes and capacity under that agreement by operating agreed services under the agreement between that party and Japan on a route which includes a point in that other Member State; or
 - (F) the airline holds an air operator's certificate issued by a Member State and there is no agreement between that Member State and Japan for air services and that Member State has not consented to the operation of international air services by an airline of Japan between that Member State and Japan; and
- (ii) in the case of an airline designated by Japan, substantial ownership and effective control of the airline are not vested in Japan or in nationals of Japan.
- (b) In exercising its right under this paragraph, and without prejudice to its rights under subparagraphs (a)(i)(E) and (F) of this paragraph, Japan shall not discriminate between airlines designated by the party which is a Member State, of which majority ownership and effective control are vested in Member States or States listed in Annex III, or in nationals of such States, on the basis of their ownership and control.

ARTICLE 3

1. References in each of the agreements listed in Annex I to airlines of the Member State which is a party to that agreement shall be understood as referring to airlines designated by that Member State.
2. In addition to paragraph 1 of this Article, references in each of the provisions listed in Annex IV of the relevant agreement listed in Annex I to airlines of the Member State which is a party to that agreement shall be understood as referring also to airlines of that Member State which are not designated by that Member State.

ARTICLE 4

The Annexes to this Agreement shall form an integral part of this Agreement.

ARTICLE 5

1. Either Contracting Party may at any time request consultations with the other Contracting Party for the purpose of amending this Agreement. Such consultations shall begin within a period of sixty days from the date of receipt of such request.
2. This Agreement may be amended by agreement between the Contracting Parties and amendments shall enter into force in the manner as described in Article 6 of this Agreement.
3. Notwithstanding paragraph 2 of this Article, amendments related only to the Annexes may be made by means of an exchange of diplomatic notes between the European Union and the Government of Japan, in conformity with their applicable domestic procedures.

ARTICLE 6

1. Each Contracting Party shall send through diplomatic channels to the other Contracting Party the notification confirming that its internal procedures necessary for the entry into force of this Agreement have been completed.
2. This Agreement shall enter into force on the first day of the next month following the date of receipt of the latter notification.

ARTICLE 7

1. In the event that an agreement listed in Annex I is terminated, the provisions of this Agreement shall cease to apply to that agreement as from the date of termination. References in this Agreement to the terminated agreement shall be deemed null and void as from that date.
2. In the event that all agreements listed in Annex I are terminated, this Agreement shall terminate on the date of the termination of the last agreement.

ARTICLE 8

1. This Agreement is drawn up in duplicate in the Bulgarian, Croatian, Czech, Danish, Dutch, English, Estonian, Finnish, French, German, Greek, Hungarian, Irish, Italian, Latvian, Lithuanian, Maltese, Polish, Portuguese, Romanian, Slovak, Slovenian, Spanish, Swedish and Japanese languages, all texts being equally authentic.
