1. On 14 December 2022, the European Court of Auditors published its Special Report No 28/2022, entitled "Support to mitigate Unemployment Risks in an Emergency (SURE): SURE financing contributed to preserving jobs during the COVID-19 crisis, but its full impact is not known"<sup>1</sup>.

<sup>1</sup> This special report is available on the Court's website: <http://eca.europa.eu>.

<sup>2</sup> Doc. 7515/00 FIN 127 + COR 1.

3. In this context, the Presidency considers that it is in the interest of the Council to allow the Court of Auditors to present its findings to the designated Working Party and to provide delegations with the opportunity to ask questions on the report before proceeding to its discussion.
4. To be noted, since this report is not presented to the Council in the context of discharge procedure, it remains to be determined, during the examination of this report, the opportunity to prepare any conclusions by the Council on the matter.
5. In view of the above, the Permanent Representatives Committee is:
  - suggested to instruct the Working Party of Financial Counsellors to examine the report;
  - for the purpose indicated under paragraph 3, invited to approve the attendance of Court of Auditors' representatives in order to present the report and respond to possible questions at the relevant forthcoming meetings of that Working Party.
