#### 'I/A' ITEM NOTE

---

From: General Secretariat of the Council  
To: Permanent Representatives Committee (Part 1)/Council

---

No. Cion doc.: 15499/22 + ADD 1

---

Subject: COMMISSION DELEGATED REGULATION (EU) .../... of 28.11.2022 supplementing Regulation (EU) 2016/429 of the European Parliament and the Council as regards rules for the use of certain veterinary medicinal products for the purpose of prevention and control of certain listed diseases  
*- Intention not to raise objections*

---

1. On 21 October 2021, the Commission submitted the above delegated act to the Council in accordance with the procedure set out in Article 290 TFEU and with Article 47(1) of Regulation (EU) 2016/429<sup>1</sup>. The Council may object to it until 29 January 2023.
2. During a silence consultation, one delegation indicated reasons that could be grounds for objecting to the delegated act<sup>2</sup>.
3. Consequently, the Presidency included the delegated act on the agenda of the meeting of Agricultural Counsellors/Attachés (Veterinary & Food) on 11 January 2023. At that meeting, the Presidency noted that there was no qualified majority in favour of objecting to the act.

---

<sup>1</sup> Regulation (EU) 2016/429<sup>1</sup> of the European Parliament and of the Council of 9 March 2016 on transmissible animal diseases and amending and repealing certain acts in the area of animal health ('Animal Health Law') (OJ L 84, 31.3.2016, p.1).

<sup>2</sup> WK 17867/2022.

4. It is therefore suggested that Coreper recommend that the Council confirms, as an "A" item on the agenda of one of its forthcoming meetings, that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies that, unless the European Parliament objects to it, the delegated act shall be published and enter into force in accordance with Article 264(6) of Regulation (EU) 2016/429.
