Subject:	Approach to EU Climate Diplomacy - Request by the German and Danish Delegations

---

Delegations will find attached a note from the German and Danish Delegations on the approach to EU Climate Diplomacy. The topic will be included as an “Any other business” item on the agenda for the Foreign Affairs Council on 23 January 2023.

## **Approach to EU Climate Diplomacy**

### **AOB item requested by Germany and Denmark for the FAC (23 January 2023)**

Germany and Denmark will during the AOB at the meeting of the Foreign Affairs Council on 23rd January 2023 make an intervention on the need for an ambitious and coordinated approach to EU climate diplomacy - in the run-up to COP28. A thorough discussion followed by the adoption of ambitious council conclusions is therefore required at the FAC meeting in February.
