Subject:	Council recommendation on the discharge to be given to the Commission in respect of the implementation of the general budget of the European Union for the financial year 2021
	• <i>Statement by Sweden</i>

Statement by Sweden on the discharge for the Commission of the 2021 EU budget

“Sweden regrets that the Court of Auditors has issued an adverse opinion on the legality and regularity of EU budget expenditure for the year 2021. Sweden can therefore not support the recommendation to grant the Commission discharge for the year 2021 and will thus vote against the recommendation.”
