ANNEX

THE EUROPEAN UNION, hereinafter referred to as 'the Union'

and

THE SWISS CONFEDERATION, hereinafter referred to as 'Switzerland',

Hereinafter referred to jointly as 'the Parties'

HAVING REGARD to the Agreement between the European Union, the European Community and the Swiss Confederation on the Swiss Confederation's association with the implementation, application and development of the Schengen *acquis*¹ ('Association Agreement with Switzerland'),

WHEREAS:

- (1) The Union established the instrument for financial support for border management and visa policy ('the BMVI'), by means of Regulation (EU) 2021/1148 of the European Parliament and of the Council² ('the BMVI Regulation'), as part of the Integrated Border Management Fund.
- (2) The BMVI Regulation constitutes a development of the Schengen *acquis* within the meaning of the Association Agreement with Switzerland.
- (3) The instrument for financial support for border management and visa policy, as part of the Integrated Border Management Fund, constitutes a specific instrument in the context of the Schengen *acquis* designed to ensure strong and effective European integrated border management at the external borders, while safeguarding the free movement of persons, in full compliance with the Member States' and associated countries' commitments on fundamental rights, and to support a uniform implementation and modernisation of the common visa policy, thereby contributing to guaranteeing a high level of security in Member States and associated countries.
- (4) Article 9(2) of the BMVI Regulation provides that the amount referred to in point (a) of Article 7(3) and the additional resources provided under that Regulation shall be implemented under shared management in accordance with Article 63 of Regulation (EU, Euratom) 2018/1046³ ('the Financial Regulation') and Regulation (EU) 2021/1060⁴ ('the CPR').

¹ OJ L 53, 27.2.2008, p. 52.

² Regulation (EU) 2021/1148 of the European Parliament and of the Council of 7 July 2021 establishing, as part of the Integrated Border Management Fund, the Instrument for Financial Support for Border Management and Visa Policy (OJ L 251, 15.7.2021, p. 48).

³ Regulation (EU, Euratom) 2018/1046 of the European Parliament and of the Council of 18 July 2018 on the financial rules applicable to the general budget of the Union, amending Regulations (EU) No 1296/2013, (EU) No 1301/2013, (EU) No 1303/2013, (EU) No 1304/2013, (EU) No 1309/2013, (EU) No 1316/2013, (EU) No 223/2014, (EU) No 283/2014, and Decision No 541/2014/EU and repealing Regulation (EU, Euratom) No 966/2012 (OJ L 193, 30.7.2018, p. 1).

⁴ Regulation (EU) 2021/1060 of the European Parliament and of the Council of 24 June 2021 laying down common provisions on the European Regional Development Fund, the European Social Fund Plus, the Cohesion Fund, the Just Transition Fund and the European Maritime, Fisheries and Aquaculture Fund and financial rules for those and for the Asylum, Migration and Integration Fund, the Internal Security Fund and the Instrument for Financial Support for Border Management and Visa Policy (OJ L 231, 30.6.2021, p. 159).

- (5) Article 7(6) of the BMVI Regulation provides that arrangements shall be made to specify the nature and modalities of the participation in the BMVI by countries associated with the implementation, application and development of the Schengen acquis.
- (6) The BMVI offers the opportunity for implementation of actions in shared management, direct and indirect management modes, and this Agreement should make it possible that the implementation in any of these methods can be realised in Switzerland in accordance with the principles and rules of the EU on financial management and control.
- (7) In light of the sui generis nature of the Schengen acquis and the importance of its uniform application for the integrity of the Schengen area, all rules applicable for the management of national programmes should apply in Switzerland in the same way as for Member States.
- (8) To facilitate the calculation and use of the annual contributions due by Switzerland to the BMVI, its contributions for the period 2021-2027 should be paid in five annual instalments from 2023 to 2027. From 2023 to 2025 the annual contributions are set in fixed amounts while the contribution due for the years 2026 and 2027 should be determined in 2026 on the basis of the nominal gross domestic product of all States participating in the BMVI taking into account the payments effectively made.
- (9) In line with the principle of equal treatment, Switzerland should benefit from any surplus revenue as defined in Article 86 of Regulation (EU) 2018/1240 of the European Parliament and of the Council ('ETIAS Regulation')⁵. Within the framework of the BMVI, the financial contributions due by Switzerland to the BMVI are proportionally reduced.
- (10) The processing of personal data by Switzerland when implementing this Agreement is to be governed by its national law on data protection.
- (11) Switzerland is not bound by the Charter of Fundamental Rights of the European Union, though is a party to and thus observes the rights and principles recognised by the European Convention for the Protection of Human Rights and Fundamental Freedoms and its Protocols and in the Universal Declaration of Human Rights. References contained in the BMVI and CPR Regulations and this Agreement to the EU Charter on Fundamental Rights should accordingly be understood as references to the European Convention on Human Rights and to the Protocols ratified by Switzerland and Article 14 of the Universal Declaration of Human Rights.
- (12) Switzerland, not being bound by the references to the Union environmental acquis, should implement the BMVI and this Agreement in line with the Paris Agreement and UN Sustainable Development Goals.

HAVE AGREED AS FOLLOWS:

⁵ Regulation (EU) 2018/1240 of the European Parliament and of the Council of 12 September 2018 establishing a European Travel Information and Authorisation System (ETIAS) and amending Regulations (EU) No 1077/2011, (EU) No 515/2014, (EU) 2016/399, (EU) 2016/1624 and (EU) 2017/2226 (OJ L 236, 19.9.2018, p. 1).

ANNEX I

Formula to calculate the annual financial contributions for the years 2021 to 2027 and payment details

1. The calculation of the financial contribution takes into account the amount referred to in Article 7(2) of the BMVI Regulation.
2. For the years 2023 to 2025 Switzerland shall make annual payments to the budget of the BMVI in accordance with the following table:

(All amounts in EUR)

	2023	2024	2025
Switzerland	55 805 213	55 805 213	55 805 213

The financial contributions referred to in this Article shall be due by Switzerland irrespective of the date of approval of its national programme referred to Article 23 of the CPR.

3. The financial contribution of Switzerland to the BMVI is calculated as follows for the years 2026 and 2027:

For each single year from 2020 to 2024, the figures of the nominal Gross Domestic Product (GDP) of Switzerland available as of 31 March 2026 on Eurostat (GDP at current prices) shall be divided by the sum of the nominal GDP figures of all the States participating in the BMVI for each respective year. The average of the obtained five percentages for the years 2020 to 2024 shall be applied to

- the sum of the commitment appropriations from adopted budget and subsequent amendments or transfers as committed at the end of each year for the BMVI for the years 2021 to 2025,
- the annual commitment appropriations from adopted budget for the BMVI for the year 2026 made at the beginning of the year 2026 and
- the annual commitment appropriation according to the budget for the BMVI for the year 2027 as included in the draft General budget of the European Union for the 2027 financial year adopted by the Commission

to obtain the total amount to be paid by Switzerland over the whole period of implementation of the BMVI.

From this amount, the annual payments effectively made by Switzerland in accordance with paragraph 2 of this Annex shall be subtracted to obtain the total amount of its contributions for the years 2026 and 2027. Half of this amount shall be paid in 2026 and the other half in 2027.

4. The financial contribution shall be paid in euro, and the calculation of amounts due or to be received shall be expressed in euro.
5. Switzerland shall pay its respective financial contribution no later than 45 days after receiving the debit note. Any delay in payment of the contribution shall give rise to the payment of default interest on the outstanding amount from the due date. The

interest rate shall be the rate applied by the European Central Bank to its main refinancing operations, as published in the C series of the Official Journal of the European Union, in force on the first calendar day of the months in which the deadline falls, increased by 3.5 percentage points.

ANNEX II

Formula to calculate the Swiss share of the revenues potentially remaining as defined in Article 86 of the ETIAS Regulation

For each financial year that there is a surplus generated as defined in Article 86 of the ETIAS Regulation and ending with the 2026 financial year, the figures of the nominal Gross Domestic Product (GDP) of Switzerland available as of 31 March on Eurostat (GDP at current prices) shall be divided by the sum of the nominal GDP figures of all the States participating in ETIAS for the respective year.

The average of the obtained percentages shall be applied to total surpluses generated. The 2027 Swiss financial contribution earmarked for the Thematic facility shall be reduced by the resulting amount.
