As regards the Republic of Kiribati, following the Commission proposal COM(2023)251 of 16 May 2023, the Council is expected to agree on the conclusion and provisional application of the Implementing Protocol by 31 July 2023. The first access payment is due within 90 days following the entering into force of the Implementing Protocol after signature of both parties, which is expected by end of September.

Further to the Commission proposal to the Council (COM(2023) 219 of 28 April 2023) on the conclusion of a new protocol with the Republic of Madagascar, the Council decision, which serves as a legal basis for the signature was adopted on 26 June and the new Protocol entered into provisional application on 1 July 2023. The first access payment is due within 90 days following the entering into force of the Implementing Protocol.
