STATEMENTAd item 5:**Regulation to convert the Farm Accountancy Data Network (FADN)
into a Farm Sustainability Data Network (FSDN)***Analysis of the final compromise text with a view to agreement***STATEMENT BY THE COMMISSION**

“The Commission underlines that it is contrary to the letter and to the spirit of Regulation 182/2011 (OJ L 55 of 28.2.2011, p. 13) to invoke Article 5(4), subparagraph 2, point b), in a systematic manner. Recourse to this provision must respond to a specific need to depart from the rule of principle, which is that the Commission may adopt a draft implementing act when no opinion is delivered. Given that it is an exception to the general rule established by Article 5(4), recourse to subparagraph 2, point b), cannot be simply seen as a discretionary power of the Legislator, but must be interpreted in a restrictive manner and thus must be justified.”
