This evaluation may lead to a positive assessment of the implementation of a phase by means of a Decision of that committee. Such a positive assessment is to be linked to the reciprocal granting of market access as set out in Annex XXI-A.
- (6) In accordance with Decision No .../2023 of the EU-Ukraine Association Committee in Trade configuration of ..., that committee has given a positive assessment regarding the implementation by Ukraine of phase 1 as set out in Annex XXI-A.
- (7) In accordance with Article 475(5) of the Agreement, the Association Council, under the powers conferred to it by Article 463 of the Agreement, should agree on the further, reciprocal market opening linked to this positive assessment.
