- (c) In case the events listed under (a) and (b) are either organised back-to-back or the nominating institution is having wider authority on different transport issues, the Director of the Permanent Secretariat (the 'Director') may depart from this rule by a reasoned decision.
- (d) The number of the participants entitled to reimbursement shall be decided on a case-by-case basis and subject to availability of funding.
- 1.5. These rules shall cover the reimbursement of travel expenditure and daily subsistence allowances (DSA).
- 1.6. The maximum number of external experts invited per meeting, whether entitled or not to reimbursement of expenses, shall be of one per Contracting Party of the Transport Community and of one per EU Member State. The number of private sector or non-government experts shall not exceed the number of governmental experts per event.
- 2. Travel expenses
- 2.1. All participants shall be entitled to the reimbursement of their travel expenses from the place specified in their invitation (work or home address) to the place of the meeting, by the most appropriate means of transport given the distance involved. In general, this shall be second class rail travel for journeys of less than 400 km (one

- way, according to official distance by rail), and economy class air travel for distances of 400 km or more.
- 2.2. The Director shall endeavour to ensure that meetings are organised in such a way as to enable participants to benefit from the most economical travel rates.
- 2.3. Travel expenses shall be reimbursed only on presentation of supporting documents.
- 2.4. When air or rail transport is not available or is not cost-effective, travel by bus or car shall be authorised.
- 2.5. The cost of travel by private vehicle shall be reimbursed at the rate of EUR 0,28 per km.
- 2.6. Travel costs shall be reimbursed up to EUR 700.
- 3. Daily Subsistence Allowance ('DSA')
- 3.1. The DSA shall include the cost of accommodation, local transfers, meals, gratuities and other incidentals.
- 3.2. DSA rates applicable to EU funded external aid contracts shall apply at their most recent scale.

The DSA rate applicable shall be that of the place where the invited participant spends the night. A full DSA shall be paid for the day when the trip starts; however, no DSA shall be paid for the day when the trip is concluded, meaning DSA is calculated on the number of nights spend away.

DSA shall be payable only when the meeting times are incompatible with the times of flights or trains.

The number of overnight stays shall not exceed the number of meeting days + 1.

3.3. Subject to the prior approval of the Director, participants may exceptionally be entitled to additional DSA related to an additional night at the place where the meeting is held if, by prolonging the stay, the participant is able to obtain a reduction in the cost of transport worth more than the amount of DSA related to the additional night.

- 3.4. Participants shall not be entitled to the reimbursement of other expenditure related to the stay at the hotel, such as internet, telephone, photocopying, minibar or non-included breakfast.
- 3.5. Participants coming from the place that is up to 50km far from the location of the meeting shall not be entitled to a DSA.
- 3.6. Reduced DSA rates shall be applied in the following cases:
  - (a) when travel for participating at the meeting does not involve an overnight stay:
    - (i) for travel of 8 hours or more, 50% of the DSA of the respective destination shall be paid;
    - (ii) for travel of less than 8 hours and more than 5 hours, 35% of the DSA shall be paid;
  - (iii) for travel up to and including 5 hours, 20% of the DSA shall be paid;(b) when free meals such as lunch or dinner are provided, 10% of the DSA rate shall be deducted for each free meal.

A free meal provided shall be considered as such in all cases where the meeting or event agenda includes a lunch or dinner.

- 4. Purchase of tickets and accommodation
- 4.1. The participants invited to a meeting listed in paragraph 1.3, points (a) to (e), shall book their own tickets and accommodation. The bookings shall be made as early as possible so that the most economical fare or rate can be obtained. The Permanent Secretariat shall book travel on behalf of participants or make advanced payments for expenditure only in exceptional cases, and subject to the conditions laid down in rule 6.
- 4.2. For participants invited to a meeting listed in rule 1.3, points (f) and (g), the travel and accommodation arrangements shall be made by the Permanent Secretariat.

- 5. Reimbursement procedure
- 5.1. To obtain reimbursement of travel expenses and payment of DSA, participants shall submit a request for the reimbursement of expenses ('reimbursement request'). The reimbursement request shall be:
  - (a) made using the form set out in Appendix 1;
  - (b) submitted in electronic format to the Permanent Secretariat at the latest 15 calendar days after the date of the meeting in question; and
  - (c) accompanied by a complete set of original supporting documents, such as tickets and invoices or, in the case of online bookings, the printout of the electronic reservation and boarding cards for the outward journey, as evidence of the costs incurred and showing the class of travel used, the time of travel and the amount paid.
- 5.2. Correspondence regarding reimbursements shall be sent to the Permanent Secretariat at finance@transport-community.org.
- 5.3. Reimbursement shall be made in euro. The rate of exchange that applies to the reimbursement shall be that applicable on the date of the meeting.
- 5.4. Reimbursement shall be made via bank transfer to the bank account of the institution or organisation designating the participant, using the bank account details submitted in accordance with rule 5.5. However, reimbursement may be made to a private bank account of the participant if that institution or organisation so requests in writing.
- 5.5. The bank account details to be submitted for the purposes of rule 5.4 shall contain the following information relating to the beneficiary: name and address of the account holder, name of the bank, bank account number (IBAN) and SWIFT code (BIC).
- 6. Advanced payment of travel and accommodation expenses
- 6.1. In exceptional cases, a designating institution or organisation may submit a request to the Permanent Secretariat for the advanced payment of travel costs relating to a participant invited to a meeting listed in points (a) to (e) of rule 1.3. Such a proceeding shall include the booking of travel by the Permanent Secretariat.
- 6.2. Rule 6.1 shall not apply to participants invited under rule 1.2, point (c).

- 6.3. Requests for advanced payment shall be made using the form set out in Appendix 2, and sent at least 21 calendar days before the date of the meeting to the Permanent Secretariat, at finance@transport-community.org.
- 6.4. The Director shall adopt the decision granting or refusing a request submitted in accordance with rule 6.3.
- 6.5. Following the granting of a request under rule 6.4, and having regard to the draft agenda for the meeting, the Permanent Secretariat shall book the travel arrangements for the participant in question. The Permanent Secretariat shall send the booking confirmations for the ticket to the participant by email.
- 6.6. By requesting advanced payment of travel expenses, the participant commits to attend the meeting.
- 6.7. Where a participant to which advanced payment of travel costs was granted is unable to attend the meeting for reasons which are not directly attributable to the Transport Community, the designating institution or organisation shall indemnify the Permanent Secretariat for the costs incurred in relation to the organisation of the trip (e.g. costs of tickets booked including cancellation fees).

- 7.3. These Rules shall be made public through the website of the Transport Community upon their adoption.
