RECOGNISING that the cooperation framework under the Agreement between the European Union and the Kingdom of Norway on administrative cooperation, combating fraud and recovery of claims in the field of value added tax¹ (‘the Agreement’) has already shown very positive outcome,

WHEREAS new tools for cooperation have been introduced in the EU legislation with the amendment of Council Regulation (EU) 904/2010 by Council Regulation (EU) 2018/1541,²

WHEREAS in order to ensure the effective and efficient monitoring of VAT on cross-border transactions, the possibility for administrative enquiries carried out jointly, enabling officials from two or more states to form a single team and actively take part in an administrative enquiry carried out jointly will help to ensure proper enforcement of VAT and avoid duplication of work and administrative burden of both tax authorities and businesses,
