#### 'I/A' ITEM NOTE

From:	General Secretariat of the Council
To:	Permanent Representatives Committee/Council
No. Cion doc.:	C(2023) 8114 final
Subject:	Delegated act in the area of financial services: Commission Delegated Regulation (EU) ... /... of 28.11.2023 amending the regulatory technical standards laid down in Delegated Regulation (EU) No 153/2013 as regards the extension of temporary emergency measures on CCP collateral requirements = Intention not to raise objections

1. On 28 November 2023, the General Secretariat of the Council acknowledged the receipt, in accordance with the procedure set out in Article 290 TFEU, of the above delegated act.
2. The Council has three months (i.e. until 29 February 2024) to object to this delegated act. The Presidency has, however, proposed to the Member States to conclude their scrutiny of this delegated act in an early non-objection procedure.
3. During the consultation procedure within the framework of the Working Party on Financial Services and the Banking Union, which expired on 6 December 2023, no delegation indicated an intention to object to this delegated act.

4. It is therefore suggested that the Permanent Representatives Committee should invite the Council to confirm that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. Such confirmation would mean that, unless the European Parliament objects to it, the delegated act shall be published and enter into force.
