#### 'I/A' ITEM NOTE

|                |                                                                                                                                                                                                                |
|----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| From:          | General Secretariat of the Council                                                                                                                                                                             |
| To:            | Permanent Representatives Committee/Council                                                                                                                                                                    |
| No. Cion doc.: | ST 15968/23 + ADD 1 - C(2023) 7206                                                                                                                                                                             |
| Subject:       | Commission Delegated Regulation amending Directive 2000/14/EC as regards the methods to measure airborne noise emitted by equipment for use outdoors<br>- Intention not to raise objections to a delegated act |

The first paragraph of document ST 17021/23 INIT should read as follows:

1. On **17 November 2023**, the Commission submitted the above draft delegated act to the Council in accordance with Article 18(a) of Directive 2000/14 (EC))<sup>1</sup>.

---

<sup>1</sup> Directive 2000/14/EC of the European Parliament and of the Council of 8 May 2000 on the approximation of the laws of the Member States relating to the noise emission in the environment by equipment for use outdoors (OJ L 162, 3.7.2000, p. 1–78). Current consolidated version is of 26/07/2019.
