

Joint Statement following the meeting of the Specialised Committee on the Implementation of the Windsor Framework

24 January 2024

The Specialised Committee on the Implementation of the Windsor Framework met today in Brussels, co-chaired by officials from the European Commission and the UK Government.

The Committee co-chairs took stock of the work undertaken by both sides on the implementation of the Windsor Framework since the last meeting on 20 September 2023. In particular, they discussed the implementation of the Windsor Framework in the areas of agri-food and customs in light of the provisions which took effect in autumn 2023 and the implementation milestones ahead. They agreed to continue meeting on a regular basis to monitor and ensure the full implementation of all the elements of the Framework in a faithful way.

The Committee co-chairs also took stock of the work of the Joint Consultative Working Group and its structured sub-groups. They reiterated the importance of continued joint engagement with Northern Ireland stakeholders.
