Intervention by the Council Legal Service

"The Council Legal Service confirmed that the legal consequence of Article 8(3) is that from the date of expiry of the 4 four months period, in the absence of a PSC decision reconfirming the operation, the operation is terminated."

Intervention by the Commission

"The Commission confirmed that as soon as people disembark in an EU port, EU law applies fully, as do the possibilities for operational and financial support provided by the relevant instruments - the Asylum, Migration and Integration Fund, the Internal Security Fund, and the Agencies (Frontex, EASO and Europol)."

Statement by Poland

"Poland agrees on a compromise solution on disembarkation, based on voluntary arrangements. At the same time, given the current epidemiological situation and the urgent need of containing the spread of SARS-CoV-2, Poland underlines the importance of subjecting the migrants to proper security and medical checks, as well as quarantine lasting at least 14 days, safeguarding sanitary standards. Relocation to Member States applying the voluntary arrangements in question should only take place once the above measures have been completed."
