From:	Working Party on Information
To:	Permanent Representatives Committee/Council
No. prev. doc.:	8297/24; 8297/24 COR1
Subject:	22nd annual report of the Council on the implementation of Regulation (EC) No 1049/2001 of the European Parliament and of the Council of 30 May 2001 regarding public access to European Parliament, Council and Commission documents

1. Article 17(1) of Regulation 1049/2001 on access to documents provides that each institution has to publish an annual report on the implementation of the Regulation for the preceding year.
2. The draft annual report for 2023 identifies the main trends and characteristics of requests for access to Council documents and reviews complaints to the Ombudsman and rulings handed down by the European courts in cases concerning the institutions' implementation of the Regulation. The report for 2023 follows the new, shortened format of recent years, since the statistical data which provides the basis for the report is available as open data on the Council's website.

3. The draft annual report on access to Council documents for 2023¹ was presented to and unanimously agreed by the Working Party on Information at its meeting on 15 April 2024.
4. The Permanent Representatives Committee is therefore invited to recommend that the Council approve the annual report as set out in 8297/24 (+ COR 1) as an 'A' item on its agenda.
