Subject:	Accelerating the use of space in Europe - <i>Information from the European Space Agency</i>

Delegations will find attached a Presidency note from the European Space Agency on “Accelerating the use of space in Europe” with a view to the AOB at the Competitiveness Council on 23 May 2024.

Accelerating the use of space in Europe**Information from the European Space Agency**

The European Space Agency underlines the importance of EU-ESA cooperation through the 20 years of cooperation of the EU-ESA Framework Agreement and highlights the major role of ESA in implementing EU programmes. ESA recalls its major achievements since the Seville meeting of Ministers and prepares several decision points in the future where synergies are required.
