MEDIATION MECHANISM**ARTICLE 1****Objective**

The objective of this Mediation Mechanism established in accordance with Article 319 of the Comprehensive and Enhanced Partnership Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and the Republic of Armenia, of the other part (hereinafter referred to as “the Agreement”), is to facilitate between the participating Parties the finding of a mutually agreed solution through a comprehensive and expeditious procedure with the assistance of a mediator.

SECTION A**PROCEDURE UNDER THE MEDIATION MECHANISM****ARTICLE 2****Request for information**

1. At any time before the initiation of the mediation procedure, a Party may request the other Party in writing to provide any information regarding a measure adversely affecting trade or investment between the Parties. The Party to which such request is made shall make all efforts to provide the requested information in a written response within 20 days of receipt of the request.
2. Where the responding Party considers it will not be able to deliver a response within 20 days of receipt of the request, it shall promptly notify the requesting Party, stating the reasons for the delay and providing an estimate of the shortest period of time within which it will be able to deliver its response.

ARTICLE 3**Initiation of the procedure**

1. A Party may request that the Parties enter into a mediation procedure at any time, by means of a written request addressed to the other Party. The request shall be sufficiently detailed to clearly present the concerns of the requesting Party and shall:
 - (a) identify the specific measure at issue;
 - (b) provide a statement of the alleged adverse effects that the requesting Party believes the measure has, or will have, on trade or investment between the Parties; and
 - (c) explain the causal link between the measure and the adverse effects on trade and investment between the Parties.

2. The mediation procedure may only be initiated by mutual agreement of the Parties. When a request is made pursuant to paragraph 1, the Party to which the request is addressed shall accord sympathetic consideration to that request and reply by accepting or rejecting it in writing within 10 days of its receipt. The date of receipt by the requesting Party of the requested Party's reply of acceptance shall be considered as the date of initiation of the mediation procedure.

ARTICLE 4

Selection of the mediator

1. The Parties shall endeavour to agree on a mediator within 15 days of the date of the initiation of the mediation procedure.
2. If the Parties are unable to agree on the mediator within period of time set out in paragraph 1, either Party may request the chairperson of the Partnership Committee established by Article 363 of the Agreement¹, or the chairperson's delegate, to select the mediator by lot from the list of individuals who are not nationals of either Party referred to in paragraph 1 of Article 339 of the Agreement. Representatives of both Parties shall be invited, with sufficient advance notice, to be present when lots are drawn. In any event, the drawing of lots shall be carried out with the Party or Parties that is or are present.
3. The chairperson of the Partnership Committee, or the chairperson's delegate, shall select the mediator within five days of the request made pursuant to paragraph 2.
4. If the list referred to in paragraph 1 of Article 339 of the Agreement is not established at the time a request is made pursuant to Article 3, the mediator shall be drawn by lot from the individuals who have been formally proposed to serve as chairperson of the arbitration panel by one or by both Parties.
5. A mediator shall not be a national of either Party nor be employed by either Party, unless the Parties agree otherwise.
6. The mediator shall assist the Parties, in an impartial and transparent manner, in bringing clarity to the measure at issue and its possible effects on trade and investment between the Parties, and in reaching a mutually agreed solution.
7. The Code of Conduct referred to in Article 335 of the Agreement applies to mediators as well as to their assistants and staff, *mutatis mutandis*.
8. Rules 1 to 5 and 47 to 50 of the Rules of Procedure referred to in Article 335 of the Agreement apply to the mediation procedure, *mutatis mutandis*.

¹ For the purposes of this Mediation Mechanism the term "Partnership Committee" refers to the Partnership Committee meeting in trade configuration.

ARTICLE 5

Rules of the mediation procedure

1. Within 10 days of the appointment of the mediator, the requesting Party shall present a detailed written description of its concerns to the mediator and to the other Party, describing in particular the operation of the measure at issue and its effects on trade and investment between the Parties. Within 20 days of the receipt of that description, the requested Party may submit its written comments on the description. Either Party may include any information that it deems relevant for its description or comments.
2. The mediator may decide on the most appropriate way of bringing clarity to the measure concerned and its possible effects on trade and investment. In particular, the mediator may organise meetings between the Parties, consult the Parties jointly or individually, seek the assistance of, or consult with, relevant experts and stakeholders and provide any additional support requested by the Parties. The mediator shall consult with the Parties before seeking the assistance of, or consulting with, relevant experts and stakeholders.
3. The mediator shall not advise or comment on whether the measure at issue is consistent with the Agreement. The mediator may offer advice and propose a solution for the consideration of the Parties. The Parties may accept or reject the proposed solution, or agree on a different solution.
4. The mediation procedure shall take place in person in the territory of the requested Party, or by mutual agreement in any other location or by any other means.
5. The Parties shall endeavour to reach a mutually agreed solution within 60 days of the appointment of the mediator. Pending a final agreement, the Parties may consider possible interim solutions, especially if the measure relates to perishable goods.
6. The mutually agreed solution or interim solution may be adopted by a decision of the Partnership Committee. Each Party may make such solution subject to the completion of any necessary internal procedures. Mutually agreed solutions shall be made publicly available. The version disclosed to the public shall not contain any information that a Party has designated as confidential.
7. On request of either Party, the mediator shall issue to the Parties a draft factual report providing a brief summary of:
 - (a) the measure at issue;
 - (b) the procedures followed; and
 - (c) any mutually agreed solution reached, including possible interim solutions, if applicable.

The mediator shall allow the Parties 15 days to comment on the draft report. After considering the comments of the Parties received within that period, the mediator shall, within 15 days, deliver a final factual report to the Parties. The draft and the final factual report shall not include any interpretation of the Agreement.
8. The procedure shall be terminated by:
 - (a) the adoption of a mutually agreed solution by the Parties, on the date of the adoption thereof;

- (b) mutual agreement of the Parties at any stage of the procedure, on the date of that agreement;
- (c) a written declaration of the mediator, after consultation with the Parties, that further efforts at mediation would be to no avail, on the date of that declaration; or
- (d) a written declaration of a Party after exploring mutually agreed solutions under the mediation procedure and after having considered any advice and proposed solutions by the mediator, on the date of that declaration.

If the last day for the delivery of a document falls on a non-working day of the institutions of the European Union or of the government of the Republic of Armenia, the time period for the delivery of the document shall end on the first following working day. This deferral also applies to the determination of the start date of a time-period if the date of the delivery is a non-working day at the place of receipt of the notification.

II. Appointment of arbitrators

6. If an arbitrator is selected by lot, pursuant to Article 321 of the Agreement, the chairperson of the Partnership Committee² shall promptly inform the Head of Delegation of the other Party of the date, time and venue of the selection by lot. 7. The chairperson of the Partnership Committee shall notify, in writing, each individual who has been selected to serve as an arbitrator of his or her selection. Each individual shall confirm his or her availability to both Parties within five days after the date of delivery of the notification.
8. For the purposes of paragraph 7 of Article 321 of the Agreement, the chairperson of the Partnership Committee shall select by lot:
 - (a) an arbitrator from the individuals who have been formally proposed by a Party as arbitrator for its sub-list pursuant to paragraph 1 of Article 339 of the Agreement, as applicable, or, in the absence of those, from the individuals who have been formally proposed by the other Party for that Party's sub-list;
 - (b) a chairperson from the individuals who have been formally proposed by one or both Parties for the sub-list of chairpersons pursuant to paragraph 1 of Article 339 of the Agreement.
9. Notwithstanding Rule 8, for the purposes of paragraph 7 of Article 321 of the Agreement, either Party may ask the external body entrusted by the Partnership Committee³, if applicable, to choose the arbitrator or chairperson. The external body shall choose:
 - (a) an arbitrator from the individuals who have been formally proposed by a Party as arbitrators for its sub-list pursuant to paragraph 1 of Article 339 of the Agreement, as applicable, or, in the absence of those, from the individuals who have been formally proposed by the other Party for that Party's sub-list;
 - (b) a chairperson from the individuals who have been formally proposed by one or both Parties for the sub-list of chairpersons pursuant to paragraph 1 of Article 339 of the Agreement.
10. The arbitrators shall accept their appointment by signing the appointment contracts. The Parties shall endeavour to ensure that, at the latest by the time all the selected arbitrators have confirmed their availability, they have agreed on the remuneration and the reimbursement of expenses of the arbitrators and assistants, and have prepared the necessary appointment contracts, with a view to having them signed promptly. The remuneration and expenses of the arbitrators shall be based on WTO standards. The remuneration and expenses of an assistant or assistants of an arbitrator shall not exceed 50% of the remuneration of that arbitrator.

III. Organisational meeting

11. Unless the Parties agree otherwise, they shall meet the arbitration panel within seven days after its establishment in order to determine such matters as the Parties or the arbitration panel deem appropriate, including the timetable of the panel procedure.

Arbitrators and representatives of the Parties may take part in this meeting through any means, including telephone, video-conference or other electronic means of communication.

IV. Written submissions

³ The Partnership Committee may decide to entrust an external body with managing dispute settlement procedures under Chapter 13 of Title VI of the Agreement or providing support. Such decision shall also address the costs arising from the entrustment.

12. The complaining Party shall deliver its written submission no later than 20 days after the date of establishment of the arbitration panel. The Party complained against shall deliver its written submission no later than 20 days after the date of delivery of the written submission of the complaining Party. The complaining Party may choose to deliver a second written submission within 15 days after the date of delivery of the written submission of the Party complained against. In that case, the Party complained against may submit its response within 15 days after the date of delivery of the second written submission of the complaining Party.

V. Operation of the arbitration panel

18. The arbitration panel shall ensure a prompt settlement of the dispute. If the arbitration panel considers that there is a need to modify any of the time periods for the arbitration panel procedure other than the time periods set out in Chapter 13 of Title VI of the Agreement or to make any other procedural or administrative adjustment, it shall inform the Parties in writing of the reasons for the modification or adjustment and of the time period or adjustment needed. The arbitration panel may adopt the modification or adjustment after consulting the Parties.

VI. Replacement

20. The Parties shall consult within 15 days after the date of the notification referred to in Rule 19. They shall inform the arbitrator of the alleged non-compliance and may request the arbitrator to take steps to remedy it. They may also, if they agree, remove the arbitrator and select a new arbitrator in accordance with Article 321 of the Agreement.

21. If the Parties fail to agree on the need to replace an arbitrator other than the chairperson of the arbitration panel, either Party may request that this matter be referred to the chairperson of the arbitration panel, whose decision shall be final.

If the chairperson of the arbitration panel finds that the arbitrator does not comply with the requirements of the Code of Conduct, the arbitrator shall be removed and a new arbitrator shall be selected in accordance with Article 321 of the Agreement.

22. His or her name shall be drawn by lot by the chairperson of the Partnership Committee, or the chair's delegate. The decision by the selected person on the need to replace the chairperson shall be final.

If this person finds that the chairperson does not comply with the requirements of the Code of Conduct, the chairperson shall be removed and a new chairperson shall be selected in accordance with Article 321 of the Agreement.

The Party complained against shall be in charge of the logistical administration of the hearing and bear the expenses derived therefrom.
25. Notwithstanding Rule 24, the arbitration panel may decide, on request of a Party, to hold a virtual or hybrid hearing and make appropriate arrangements, taking into account the rights of due process and the need to ensure transparency, in accordance with paragraph 3 of Article 335 of the Agreement.
26. The arbitration panel may convene additional hearings if the Parties so agree.
27. All arbitrators shall be present during the entirety of the hearing.

29. No later than five days before the date of a hearing, each Party shall deliver to the arbitration panel and to the other Party a list of names of the persons who will make oral arguments or presentations in the hearing on behalf of that Party and of other representatives and advisers who will be attending the hearing.

30. The arbitration panel shall ensure that the Parties are equally treated and are afforded sufficient time to present their arguments.
31. The arbitration panel may direct questions to either Party at any time during the hearing.
32. The arbitration panel shall arrange for a recording of the hearing to be delivered to the Parties as soon as possible after the hearing.
33. Each Party may deliver a supplementary written submission concerning any matter that arose during the hearing within ten days after the date of the hearing.

 - (d) information the disclosure of which would impede law enforcement; or
 - (e) any other information the Parties have agreed to consider as confidential.
38. If the Parties disagree on whether information qualifies as confidential, the arbitration panel shall decide, on request of a Party, after consultation with the Parties.

39. The arbitration panel shall meet in closed session if the submission and arguments of a Party contain confidential information. The Parties shall maintain the confidentiality of any hearing that is held in closed session.

X. *Ex parte* contacts

40. The arbitration panel shall not meet or communicate with a Party in the absence of the other Party.
41. An arbitrator shall not discuss any aspect of the subject matter of the panel procedure with one Party or both Parties in the absence of the other arbitrators.

The arbitration panel shall not be obliged to address in its report the arguments made in those submissions. If the arbitration panel addresses arguments made therein, it shall also take into account any comments made by the Parties pursuant to Rule 44.
