Examination of revised draft Council conclusions

The SCA discussed the updated text of Council conclusions on ‘the future of agriculture in the EU’ and took note of comments and questions by Member States and the Commission. The Presidency would reflect on further action required with a view to having the text approved by the Council during its meeting on the 24 June 2024.

Any other business

4. Organisation of future work

The Presidency informed the SCA about the "Agriculture and Fisheries" Council meeting on 24 June 2024.

Regarding that Council meeting:

- the Romanian delegation reminded the SCA of their request for a public item under “any other business” on “Introducing the eligibility of expenses related to the purchase of breeding animals within the CAP Strategic Plans” (postponed from the May “Agriculture and Fisheries” Council meeting – see doc. 10162/24) and
- the Croatian delegation requested a public item under “any other business”, on “Significant damage on agricultural areas due to adverse weather conditions”.

The SCA agreed that these AOB items would be taken in public session in accordance with Article 8(2) of the rules of procedure of the Council.

The incoming Presidency informed the SCA about the next SCA meeting on 2 July and the "Agriculture and Fisheries" Council meeting on 15 July 2024
