'I/A' ITEM NOTE

From:	General Secretariat of the Council
To:	Permanent Representatives Committee (Part 2)/Council
Subject:	European Semester 2024: Council Recommendations on economic, budgetary, employment and structural policies of the Member States - Adoption

In document 13932/24, on page 2, paragraphs 3, 4 and 5 should read as follows:

“3. On 16 July 2024, the Council approved the country-specific recommendations, subject to legal-linguistic revision. The legal-linguistic revision has now been finalised, as set out in document 13532/24 REV2.

4. According to the Article 121(2), the European Council, acting on the basis of the report from the Council, discusses a conclusion on the broad guidelines of the economic policies of the Member States and of the Union. This discussion is currently scheduled for 17–18 October 2024, based on the country-specific recommendations, as approved by the Council and set out in document 13532/24 REV2.

5. The Permanent Representatives Committee could therefore confirm its agreement on the texts, subject to the outcome of the discussion by the European Council, and suggest that the Council adopt as an "A" item at a forthcoming meeting the Council Recommendations on economic, budgetary, employment and structural policies of the Member States, as set out in document 13532/24 REV2.”
