NOTE

From: General Secretariat of the Council
To: Permanent Representatives Committee

Subject: Commission Recommendations for Council Recommendations on the National Reform Programmes 2020 to each Member State, delivering Council Opinions on the updated Stability or Convergence Programmes

Country-specific Recommendations (CSRs)

Under the European Semester, the Commission submitted on 20 May 2020 to the Council 28 Recommendations for a Council Recommendation on the National Reform Programmes of 2020, and delivering a Council Opinion on the updated Stability or Convergence Programmes.

These recommendations combine economic and employment recommendations, based on Articles 121(2) and 148(4) of the Treaty on the Functioning of the European Union (TFEU), with Council opinions on stability and convergence programmes, based on Articles 5(2) and 9(2) of Regulation 1466/97, and, in certain cases, with recommendations on the preventive part of the macroeconomic imbalances procedure under Article 6(1) of Regulation 1176/2011.

Bearing in mind that recommendations falling within the scope of Article 148(4) TFEU form an integral part of the country specific recommendations and that their content is inextricably linked to that corresponding to the Stability and Growth pact, the procedure under Article 121(2) TFEU should apply to both parts of the recommendations.

Following the preparatory process at the Committee level, the Council will proceed to the formal adoption of the final texts after the European Council has endorsed them, in accordance with Article 121(2) TFEU.

The Commission recommendations for a Council Recommendation on the National Reform Programmes of 2020, and delivering a Council Opinion on the updated Stability or Convergence Programmes are set out in the documents listed in the annex of this note.
