OUTCOME OF PROCEEDINGS

From: General Secretariat of the Council

On: 24 October 2019

To: Delegations

No. prev. doc.: 12964/19

Subject: European Court of Auditors' Special Report No 08/2019 "Wind and solar power for electricity generation: significant action needed if EU targets to be met"

- Council Conclusions (24 October 2019)

Delegations will find in the annex the Council conclusions on the European Court of Auditors' Special Report No 08/2019 "Wind and solar power for electricity generation: significant action needed if EU targets to be met", adopted by the Employment, Social Policy, Health and Consumer Affairs Council at its 3723rd meeting held on 24 October 2019.

Council conclusions on European Court of Auditors' Special Report 08/2019 entitled "Wind and solar power for electricity generation: significant action needed if EU targets to be met"

THE COUNCIL OF THE EUROPEAN UNION:

1. THANKS the European Court of Auditors for the Special Report 08/2019 entitled "Wind and solar power for electricity generation: significant action needed if EU targets to be met",
2. RECOGNISES the focus of the Special Report on renewable sources of energy, namely wind and solar power in producing electricity,
3. RECALLS the 'Clean Energy for all Europeans' legislative package, setting the framework for the implementation of the Union's 2030 climate and energy targets on greenhouse gas reductions, renewable energy increases, energy efficiency improvement and electricity interconnections,
4. TAKES good note of the conclusions and recommendations in the Special Report.
