Betreff: Invitation | Final Online Event - Study on the high-value datasets to be made available for re-use under the Open Data Directive - 4 September 2020

Dear Madam/Sir,

On behalf of the European Commission's Directorate-General Communications Networks, Content and Technology (DG CNECT), we are pleased to invite you to the Final Event of the *Study on the high-value datasets to be made available for re-use following the adoption of an implementing act of the Open Data Directive*.

DG CNECT and the study team will introduce you to the final results of the study conducted since January 2020 in close collaboration with the PSI holders and reusers. It will also present an opportunity for willing participants to reflect more on the question of high-value datasets, and present their observations.

Practicalities:

- The event will take place on **4 September 2020, from 10.00 to 15.00 CEST**. Please register [here](#).
- Should you/your organisation be interested in a speaking slot during the event, please let us know [by return of e-mail](#), and not later than 2 September EOB.
 - Kindly note that in the interest of time, it may not be possible to accommodate all intervention requests, and that contributions will be limited to 5 minutes maximum.

- Should there be more speaking requests than spots available, the Commission will award slots in a way that will ensure all facets of the study are duly covered. Written contributions will be collected by the Commission after the event.
- It will also be possible to ask questions during the webinar.

Agenda:

Timing	Topic	Speaker
