1. On 30 May 2018, the Commission tabled the proposal for the European Social Fund Plus Regulation (ESF+ Regulation)¹, which is part of the Cohesion Policy legislative package for 2021-2027. The overarching policy objective of the ESF+ Regulation is to help create a more performing and resilient ‘Social Europe’ and implement the European Pillar of Social Rights as well as the social and employment priorities endorsed by the European economic governance process.

¹ Doc. 9573/18 + ADD1-2.

2. The ESF+ Regulation was presented to the Structural Measures Working Party in June 2018 during the Bulgarian Presidency. The detailed examination of the ESF+ Regulation took place under the Austrian and the Romanian Presidencies. The Permanent Representatives Committee endorsed a (partial) mandate for negotiations with the European Parliament on the ESF+ Regulation on 3 April 2019².
3. On 28 May 2020, following the COVID-19 outbreak, and as part of the revised MFF 2021-27 and of the Recovery Package, the Commission proposed various amendments to the Cohesion policy legislative package 2021-2027, including to the ESF+ Regulation³. On 22 July 2020, the Permanent Representatives Committee endorsed a (partial) mandate for negotiations with the European Parliament as regards the amended Commission proposal for the ESF+ Regulation⁴.
4. The partial mandate for negotiations has to be updated to take account of the European Council Conclusions adopted in the special meeting of the European Council of 17, 18, 19, 20 and 21 July 2020.

II. WORK WITHIN THE COUNCIL

5. Updates reflecting the European Council Conclusions were discussed in the Structural Measures Working Party in its meetings on 8, 11, 15 and 18 September 2020.
6. Substantial progress has been made on those updates of the ESF+ Regulation at working party level. Following the Structural Measures Working Party on 18 September, **the Presidency is of the view that, based on the principle that "nothing is agreed until everything is agreed", a balanced compromise text has emerged which has been supported by a majority of Member States.**
