Subject: Proposal for a Regulation of the European Parliament and of the Council
establishing the framework for achieving climate neutrality and amending
Regulation (EU) 2018/1999 (European Climate Law)
- Partial General Approach
= Presidency compromise suggestion

With a view to the discussion on the above-mentioned proposal at the Council (Environment) on 23 October 2020, delegations will find in the Annex a Presidency compromise suggestion, as previously announced by the Presidency.

The Presidency suggests to add the following new subparagraph after the bracketed text in Art. 3(2):

"Within the framework of this review, the Commission shall assess in particular the availability under Union law of adequate instruments and incentives for the investments needed."
