Subject: Proposal for Council Conclusions on "Orientations on the European contribution in establishing key principles for the global space economy"
– Initiation of written procedure

Given the current exceptional situation, the Permanent Representatives Committee agreed at its meeting of 4 November 2020 to use the written procedure for the adoption of above-mentioned Council Conclusions.

Delegations are thus invited to state whether they agree to approve the draft Council Conclusions on "*Orientations on the European contribution in establishing key principles for the global space economy*", as set out in doc. 12347/20.

Please answer YES or NO.

Any unilateral statement should be made separately.

Replies must reach the General Secretariat of the Council **by 17h00 (CET) on Wednesday 11 November 2020**, by e-mail to space@consilium.europa.eu.

Please note that the written procedure cannot be closed before replies have been received from all Member States.
