The following Joint Declarations are adopted by the Parties and attached to the Agreement:

‘Joint Declaration on the rules for granting Cabo Verde visas to Union citizens for stays of over 30 days and not exceeding 90 days

In accordance with Cabo Verdean legislation, Union citizens are exempt from the visa requirement for entries and stays in the territory of Cabo Verde that do not exceed 30 days. For intended stays beyond 30 days, they are required to seek and obtain authorisation from the Cabo Verdean authorities. Under Law n. 66/VIII/2014 of the Republic of Cabo Verde, as amended, Union citizens may apply for and obtain a visa valid for up to 90 days at the consular posts of Cabo Verde or apply within the territory of Cabo Verde to the competent authorities for an extension of their stay.

Under Article 2(3) of the Agreement, for intended stays of over 30 days but not exceeding 90 days, at least the same facilitations granted under the Agreement to citizens of Cabo Verde shall apply to the Union citizens concerned.

The Parties understand that the Joint Committee set up pursuant to Article 10 will monitor the implementation of this provision.’

‘Joint Declaration on Article 12(5) of the Agreement concerning grounds for the suspension of the Agreement

Either Party may suspend the Agreement, in whole or in part, and in particular Article 8, for reasons such as public order, protection of national security or public health, lack of cooperation in the field of readmission or for human rights and democracy considerations. Any such suspension shall be effected in accordance with the procedure set out in Article 12(5).

If implementation of all or some of the provisions of the Agreement is suspended, the Parties shall initiate consultations in the framework of the Committee established under Article 10, with a view to solving the problems that led to the suspension.

This Joint Declaration replaces the Joint Declaration on Article 8 of the Agreement concerning diplomatic and service passport.'

'Joint Declaration on cooperation on travel documents

The Parties agree that, when monitoring the implementation of the Agreement, the Joint Committee established under Article 10 should evaluate the impact of the level of security of the respective travel documents on the functioning of the Agreement. To that end, the Parties agree to inform each other regularly of:

- measures taken to avoid the proliferation of travel documents;
- measures taken to develop the technical aspects of travel document security; and
- measures taken regarding the personalisation process in the issuance of travel documents.

As a priority, both Parties undertake to ensure a high level of security for diplomatic and service passports, in particular by integrating biometric identifiers. For the Union, this will be done in accordance with Council Regulation (EC) No 2252/2004 of 13 December 2004 on standards for security features and biometrics in passports and travel documents issued by Member States. For Cabo Verde, it will be done in accordance with Decree-law n. 21/2014 of 17 March 2014 establishing the technical specifications, security and issuing conditions of the biometric passport issued by Cabo Verde.

This Joint Declaration replaces the Joint Declaration on cooperation on travel documents.'
