EU and Schengen countries

Dear Colleagues,

Due to the remaining COVID-19 situation and due to the fact that compensatory measures are not available yet, the Finnish Government made today a decision to extend the previous decision until 12.1.2021.

The border controls are reintroduced between Finland and all Schengen countries with the exception of leisure boats until 12.1.2021. Additionally there are some exceptions between Finland and Sweden and Norway concerning the land borders. These exceptions are related for local and Saami people.

Regarding the external borders the current restrictions to non-essential travel will continue until 12.1.2021.

Yours sincerely,

Maria Ohisalo
Minister of the Interior
