Draft Eurogroup annotated agenda¹ **18 January 2021**

Starting time 15:00, videoconference

1. Thematic discussion - Imbalances in the Euro area in the wake of the COVID19 crisis

The Eurogroup will hold a thematic discussion on macroeconomic imbalances in the Eurozone on the basis of a technical note prepared by the Commission.

Ministers will discuss the extent to which the COVID-19 crisis has exacerbated existing macroeconomic imbalances at Euro area level and the policy strategies needed to respond to a possible widening of imbalances and the emergence of risks from a Euro area perspective.

2. Exchange of views on envisaged priorities for upcoming Recovery and Resilience Plans

Ministers will exchange views on the preparation of the national Recovery and Resilience Plans against the background of the priorities agreed in the euro area recommendations (EAR). The discussion will take place on the basis of an issues note prepared by the EWG Secretariat.

3. Miscellaneous
