STATEMENT BY POLAND
ON THE RECOMMENDATION ON ROMA EQUALITY, INCLUSION AND
PARTICIPATION

Equality between women and men is enshrined in the treaties of the European Union as a fundamental right. Poland ensures equality between women and men within the framework of the Polish national legal system in accordance with internationally binding human rights instruments and within the framework of fundamental values and principles of the European Union. For these reasons, in place where the recommendations refer to “gender” Poland will interpret it as meaning women and men, in accordance with Article 8 TFEU.
