Your comments relating to the EN language version must be sent to the President and EN team (see following table) by the **26/03/2021 at 17h00**. Comments to any other language version must be sent to the relevant team of the DQL by **06/04/2021 at 17h00**. Linguistic comments transmitted after that date cannot be taken into account.

During the meeting, only the text of the base language is discussed and finalised. On that basis, and taking into account the accepted comments, the other languages are aligned.

The remote presence (via videoconference) of experts at the meeting is desirable.

Your attention is drawn to the following:

- In order to ensure the smooth running of the meeting, it is essential that all delegates follow the specific pagination of the text of the base language. In addition, please ensure that you use the version containing track changes and that you remove the "balloon view" function.
