NOTE

From:	General Secretariat of the Council
To:	Delegations
Subject:	Consultation of the Council by the European Commission on the EU position regarding the revision by the Regional Steering Committee of Annex I to the Treaty establishing the Transport Community

This consultation document contains the Council's suggestions following the Commission's letter dated 18 February 2021¹ and prior to the Commission's decision on the position to be taken by the European Union in the Regional Steering Committee of the Transport Community concerning the adoption of a decision revising Annex I to the Treaty establishing the Transport Community (TCT).

From a general point of view, the current Annex I to the TCT contains, on the one hand, a dynamic reference to the latest version of a legislative act, while, on the other hand, in several instances amending legal acts are expressly mentioned. This practice should be harmonised at the earliest occasion.

Annex I sets out the revised Annex I to the TCT including suggestions from the Council. Annex II contains an update of the Note to the file which was attached to the Commission's letter, reflecting the suggestions from the Council.
