Subject: COUNCIL DECISION on the regulation of contacts between the General Secretariat of the Council and interest representatives

COUNCIL DECISION (EU) 2021/...

of ...

**on the regulation of contacts
between the General Secretariat of the Council and interest representatives**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 240 thereof,

Whereas:

- (1) Article 11(1) of the Treaty on European Union (TEU) requires that Union institutions give citizens and representative associations, by appropriate means, the opportunity to make known, and publicly exchange, their views in all areas of Union action. Moreover, Article 11(2) requires Union institutions to maintain an open, transparent and regular dialogue with representative associations and civil society.
- (2) Article 15(1) of the Treaty on the Functioning of the European Union (TFEU) provides that, in order to promote good governance and ensure the participation of civil society, Union institutions, bodies, offices and agencies are to conduct their work as openly as possible.
- (3) In accordance with Article 298 TFEU, in carrying out their missions, Union institutions, bodies, offices and agencies are to have the support of an open, efficient and independent European administration.
- (4) In order for Union institutions, bodies, offices and agencies ('Union institutions') to work as openly as possible, stakeholders should be allowed to provide their views and expertise during the decision-making process so as to improve the quality of and the support for decisions that are being taken.

- (5) In order to maintain the trust in the Union political, legislative and administrative processes, contacts with interest representatives should be carried out in a transparent and ethical manner.
- (6) To this effect, the European Parliament, the Council of the European Union and the European Commission concluded an Interinstitutional Agreement on a mandatory transparency register¹⁺ ('the Interinstitutional Agreement').
- (7) The Council is committed to establishing a framework for the transparent and ethical contacts between interest representatives and the officials and agents ('staff') of its General Secretariat, by introducing a principle of conditionality. According to that principle, registration in the transparency register is a necessary precondition for interest representatives to be able to carry out certain activities covered by the Interinstitutional Agreement.
- (8) The Council considers that the establishment of a transparency register, common to the European Parliament, the Council and the Commission, and open to other Union institutions, is the most effective way to implement the principle of conditionality. The adherence to the code of conduct annexed to the Interinstitutional Agreement should be a precondition for the registration in the transparency register.

¹ Interinstitutional Agreement between the European Parliament, the Council of the European Union and the European Commission on a mandatory transparency register (OJ ..., ..., p. ...).

⁺ OJ: please complete the corresponding footnote.

- (9) The organs of the transparency register should be empowered to adopt, also on behalf of the Council, individual decisions concerning applicants and registrants, in accordance with the Interinstitutional Agreement.
- (10) Nothing in this Decision should be interpreted as conferring on interest representatives registered in the transparency register a privileged right of access to documents held by the Council,

HAS ADOPTED THIS DECISION:
