d) Detailed grounds for the increase

In the proposal for Decision [COM(2021) 227], the Commission concluded, in accordance with all applicable provisions of the EGF Regulation, that the conditions for a financial contribution from the EGF to application EGF/2020/007 FI/Finnair, submitted by the Finnish authorities on 30 December 2020, are met.

The amount of EUR 1,8 million, requested by the Finnish authorities, will contribute to the costs of a coordinated package of eligible personalised services for 500 targeted beneficiaries out of 508 workers made redundant in Finnair Oyj and one subcontractor over a reference period of four months.

The financial contribution from the EGF aims to provide assistance for re-integrating the affected persons into the labour market. The events giving rise to these redundancies are a result of the global economic crisis caused by the COVID-19 pandemic.
