Subject: Submission of the draft implementing technical standards on supervisory disclosure for investment firms' competent authorities

Dear Mr Berrigan,

In accordance with Article 57(4) of the Directive (EU) 2019/2034, the EBA is required to develop implementing technical standards which establish format, structure, content lists and annual publication date of the information referred to in Article 57(1) of the Directive (EU) 2019/2034 which competent authorities shall disclose publicly in order to ensure that the information is comprehensive and comparable across all Member States.

It is my pleasure to submit to you today these draft implementing technical standards as endorsed by the EBA's Board of Supervisors. These standards were developed following the procedure described in Article 10 of Regulation (EU) No. 1093/2010 (EBA Regulation). As previously agreed, the draft implementing technical standards are attached in Legiswrite format.

I look forward to the completion of the process of adoption of the standards.

Yours sincerely,
