**Council Conclusions on the Global Approach to research and Innovation. Europe's strategy
for international cooperation in a changing world**

– Statement by Hungary –

Hungary declares that equality between women and men is enshrined in the Treaties of the European Union as a fundamental right. Hungary ensures equality between women and men within the framework of the Hungarian national legal system in accordance with internationally binding human rights instruments and within the framework of fundamental values and principles of the European Union. For these reasons, Hungary interprets the concept of the concept of „gender“ as reference to sex and concept of „gender equality“ as reference to the equality between men and women.
