Dear **DELETED**,

Following our letter of 20 November 2019, the General Secretariat of the Council has concluded its examination of document **ST 12283/18 INIT**, and regrets to inform you that access to this document cannot be given for the reasons set out below.

Document **12283/18** is a Note from the **Working Party on Public Health** to the Permanent Representatives Committee (COREPER). It contains draft EU Common Approaches and Positions in view of the Eighth session of the Conference of the Parties (COP8) in the context of the WHO Framework Convention on Tobacco Control (FCTC).

Full Release of the information contained in this document would have a negative impact on the relations between the European Union and the non-EU members of this International Organisation, as it would disclose negotiation strategies used by the EU during this Conference.

Even though these specific negotiations have been concluded, full release of the information contained in the document would weaken the position of the European Union in the framework of similar future international negotiations.

Disclosure of the document would therefore undermine the protection of the public interest as regards international relations. As a consequence, the General Secretariat has to refuse full access to the document.¹

We have also looked into the possibility of releasing parts of the document.² However, as the exception to the right of access applies to its entire content, the General Secretariat of the Council is unable to accede to your request.

Pursuant to Article 7(2) of Regulation (EC) No 1049/2001, you may ask the Council to review this decision within 15 working days of receiving this reply.³ Should you see the need for such a review, you are invited to indicate the reasons thereof.

Yours sincerely,

Fernando FLORINDO

¹ Article 4(1)(a), third indent, of Regulation (EC) No 1049/2001.

² Article 7(2) of Regulation (EC) No 1049/2001.

³ Article 7(2) of Regulation (EC) No 1049/2001. Council documents on confirmatory applications are made available to the public. Pursuant to data protection rules at EU level (Regulation (EU) No 2018/1725, if you make a confirmatory application your name will only appear in related documents if you have given your explicit consent.
