'I/A' ITEM NOTE

From:	General Secretariat of the Council
To:	SCA/Council
Subject:	Commission Delegated Regulation (EU) .../... of 7.12.2021 supplementing Regulation (EU) 2021/2115 of the European Parliament and of the Council with additional requirements for certain types of intervention specified by Member States in their CAP Strategic Plans for the period 2023 to 2027 under that Regulation as well as rules on the ratio for the good agricultural and environmental condition (GAEC) standard 1 <i>- Intention not to raise objections</i>

1. The Commission submitted the above-mentioned delegated act to the Council in accordance with the procedure set out in Article 290 TFEU and with Articles 4(8), 13(3), 37(5), 38(5), 39(3), 45, 56 and 84 of Regulation (EU) No 2021/2115 on 7 December 2021. The Commission having notified the delegated act on 7 December 2021, the Council may object to it until 8 February 2022.
2. However, at the SCA meeting on 6 December 2021 it emerged that in principle there were no grounds for the Council to object to the delegated act.

3. The General Secretariat therefore suggests that the SCA recommend that the Council confirm that it has no intention to object to the delegated act and to inform the Commission and the European Parliament thereof. This implies that, unless the European Parliament objects to the delegated act, it will be published and enter into force in accordance with Article 152(6) of Regulation (EU) No 2021/2115.
