ADDENDUM TO NOTE

From :	Permanent representatives committee
To :	Council
Subject :	Draft Council conclusions on the next steps in the ITER projects

Delegations will find attached an addendum to the draft Council conclusions on the next steps in the ITER project.

DRAFT INTERNATIONAL ORIENTATIONS AS REGARDS THE FUNDING ISSUES CONCERNING EURATOM'S CONTRIBUTION TO THE ITER PROJECT

- a) No new collective financial contributions from Member States for ITER construction costs will be possible during the period of the current Financial Perspectives, without ruling out the options in point (b) ;
- b) The Commission is invited, in the above context, to immediately explore funding possibilities, including advantages and disadvantages of a loan from the European Investment Bank (EIB) and a reprioritization of funds within the current EU budget, and present possible solution(s) to the Council as soon as possible;
- c) The Commission is invited to report on the outcome of IC-5 and keep the Council fully involved in the discussions on the baseline of the ITER project.
