'I/A' ITEM NOTE

From:	General Secretariat of the Council
To:	Permanent Representatives Committee/Council
Subject:	Draft REGULATION OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL amending Regulations (EC) No 1272/2008, (EC) No 1223/2009, (EU) 2019/1009 and (EU) 2024/2865 as regards simplification of certain requirements and procedures for chemical products **(first reading)** — Adoption of the legislative act — Statement

Austria and Germany have requested that the following statement be entered in the Council minutes

Austria and Germany can agree on this text in principle, but would point out that in the final version of Article 1 – amendments to Regulation (EC) No 1272/2008 in point 2(a) – the term 'suppliers' in Article 17(1)(a) is a departure from the term 'supplier(s)' originally used. This change has been made in all language versions; it is therefore not a translation error. This amendment may lead to ambiguities during implementation.
