COUNCIL IMPLEMENTING DECISION

of ...

**amending the Implementing Decision of 13 July 2021
on the approval of the assessment of the recovery and resilience plan for Luxembourg**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2021/241 of the European Parliament and of the Council of 12 February 2021 establishing the Recovery and Resilience Facility¹, and in particular Article 20(1) thereof,

Having regard to the proposal from the European Commission,

¹ OJ L 57, 18.2.2021, p. 17, ELI: <http://data.europa.eu/eli/reg/2021/241/oj>.

Whereas:

- (1) Following the submission of the national recovery and resilience plan ('RRP') by Luxembourg on 30 April 2021, the Commission has proposed its positive assessment to the Council. On 13 July 2021, the Council approved the positive assessment by means of an implementing decision ('the Council Implementing Decision of 13 July 2021')². The Council Implementing Decision of 13 July 2021 was amended by Council implementing decisions of 17 January 2023³ and 23 September 2024⁴.
- (2) On 10 February 2025, Luxembourg made a reasoned request to the Commission to make a proposal to amend the Council Implementing Decision of 13 July 2021 in accordance with Article 21(1) of Regulation (EU) 2021/241 on the grounds that the RRP is partially no longer achievable because of objective circumstances. On that basis, Luxembourg has submitted an amended RRP.

Amendments based on Article 21 of Regulation (EU) 2021/241

- (3) The amendments to the RRP submitted by Luxembourg because of objective circumstances concern one measure.

² See documents ST 10155/21 and ST 10155/21 ADD 1 at <http://register.consilium.europa.eu>.

³ See document ST 16022/22 at <http://register.consilium.europa.eu>.

⁴ See documents ST 12569/24 and ST 12569/24 ADD 1 at <http://register.consilium.europa.eu>.

- (4) Luxembourg has explained that one measure has been amended in order to implement a better alternative that allows for the reduction of the administrative burden while still achieving the objectives of that measure. This concerns milestone LU-C[1B]-R[R2]-M[1B.-.3] under measure LU-C[1B]-R[R2] under component LU-C[1B] and a part of the description of measure LU-C[1B]-R[R2] under component LU-C[1B]. On this basis, Luxembourg has requested that an intermediate procedural milestone, namely the publication of a roadmap preceding the entry into force of two laws, which are the next milestones of this measure, be removed. The Council Implementing Decision of 13 July 2021 should be amended accordingly.
- (5) The Commission considers that the reasons put forward by Luxembourg justify the amendments pursuant to Article 21(2) of Regulation (EU) 2021/241. The Council Implementing Decision of 13 July 2021 should be amended accordingly.

Correction of clerical errors

- (6) One clerical error has been identified in the text of the Council Implementing Decision of 13 July 2021, affecting one measure under one component. The Council Implementing Decision of 13 July 2021 should be amended to correct that clerical error, which does not reflect the content of the RRP submitted to the Commission on 30 April 2021, as agreed between the Commission and Luxembourg. Specifically, the RRP erroneously refers to the category of ‘care assistants’ instead of ‘nursing assistants’. That clerical error relates to the description of measure LU-C[1B]-R[R2] under component LU-C[1B]. The correction does not affect the implementation of the measure concerned.

Commission's assessment

- (7) The Commission has assessed the amended RRP against the assessment criteria laid down in Article 19(3) of Regulation (EU) 2021/241.
- (8) The Commission considers that the amendments put forward by Luxembourg do not affect the positive assessment of the RRP set out in the Council Implementing Decision of 13 July 2021 regarding the relevance, effectiveness, efficiency and coherence of the RRP against the assessment criteria laid down in Article 19(3) of Regulation (EU) 2021/241.

Positive assessment

- (9) Following the positive assessment by the Commission of the amended RRP, with the finding that the RRP satisfactorily complies with the criteria for assessment set out in Regulation (EU) 2021/241, in accordance with Article 20(2) of and Annex V to that Regulation, the reforms and investment projects necessary for the implementation of the amended RRP, the relevant milestones, targets and indicators, and the amount made available from the Union for the implementation of the amended RRP in the form of non-repayable financial support should be set out.

Financial contribution

- (10) The estimated total cost of Luxembourg's amended RRP is EUR 241 100 776. As the amount of the estimated total cost of the amended RRP is equal to the updated maximum financial contribution available for Luxembourg, the financial contribution determined in accordance with Article 4a of Regulation (EU) 2021/1755 of the European Parliament and of the Council⁵, and Article 20(4) and Article 21a(6) of Regulation (EU) 2021/241 allocated for Luxembourg amended RRP should be equal to EUR 241 100 776. Therefore, the financial contribution made available to Luxembourg remains unchanged.
- (11) Council Implementing Decision of 13 July 2021 should therefore be amended accordingly. For the sake of clarity, the Annex to the Council Implementing Decision of 13 July 2021 should be replaced entirely,

HAS ADOPTED THIS DECISION:

⁵ Regulation (EU) 2021/1755 of the European Parliament and of the Council of 6 October 2021 establishing the Brexit Adjustment Reserve (OJ L 357, 8.10.2021, p. 1, ELI: <http://data.europa.eu/eli/reg/2021/1755/oj>).
