- the last sentence of the paragraph 5b. on p. 8 should read as follows:

5b. Provided that the security supply of the Union and the Member States is not undermined, the Commission is empowered to adopt delegated acts in accordance with Article 19 to amend for one filling season the level of allowed deviation of up to ten percentage points laid down in paragraph 5a first subparagraph by increasing it, in the case of persistent unfavourable market conditions. In order to ensure full consistency in the filling targets applicable to Member States, the Commission shall, when increasing, in accordance with this paragraph, the level of allowed deviation laid down in paragraph 5a, first subparagraph, adapt to the same extent the volumes set out in paragraph 2 and in **Article 6c paragraph 1 (5), and paragraph 5 third subparagraph.**

- the paragraph 5d. on p. 9 should read as follows:

5d. Member States may under the same conditions as those set out in paragraph 5a decide to deviate by up to one percentage point and sixty-six hundredth below the average annual gas consumption volume set out in Article 6c paragraph 1 and paragraph 5 **third subparagraph.**

- the following sentence is added at the end of Annex Ib on p.12:

In accordance with Article 11(6)(b), the Slovak Republic and Czechia shall ensure that, when a crisis is declared pursuant to this Regulation, no measures affecting the Dolní Bojanovice storage facility that are likely seriously to endanger the gas supply situation in the Slovak Republic, Czechia or another Member State are introduced.
