NOTE

To:	Permanent Representatives Committee/Council
Subject:	Contribution on the employment and social policies aspects of the country-specific recommendations: Recommendations on the economic, social, employment, structural and budgetary policies of each Member State - <i>Approval</i>

In the context of the 2025 European Semester process, the Commission submitted the proposals for country-specific recommendations (CSRs) as set out in doc. 9903/25 to the Council on 4 June 2025.

The 27 documents (one for each Member State) were examined by the EMCO and SPC Committees. Due to time constraints following the submission of the spring package by the Commission, a Horizontal note on country-specific recommendations was drawn up and discussed in the relevant Committees (EMCO, SPC, EPC, EFC/EFCA). Certain issues of horizontal nature will be examined in joint meetings in the end of June after the meetings of the EPSCO and ECOFIN Councils, with the aim of ensuring the consistency of the recommendations across the Member States. The aspects in the individual CSRs pertaining uniquely to the ECOFIN *filière* will also be discussed after the ECOFIN Council on 20 June. The versions of the CSRs listed in document 9983/25 are therefore not the final versions.

The list of draft Recommendations for each Member State, as resulting from the EMCO and SPC discussions, is set out in doc. 9983/25.

Coreper is invited to examine the draft recommendations for each Member State listed in doc. 9983/25, with a view to enabling the Council (EPSCO) to approve its contribution on employment- and social policy -related aspects of the draft Council recommendations for each Member State.

Finally, the Council (ECOFIN) will approve its contribution to the Horizontal note at its meeting on 20 June 2025.

The Horizontal note will be submitted to the European Council for discussion of a conclusion. The Council will thereafter adopt the integrated country-specific recommendations at the ECOFIN meeting on 8 July 2025.
