| Subject: | European Semester 2025: Council Recommendations on the economic, social, employment, structural and budgetary policies of the Member States |

#### Country-specific Recommendations (CSRs)

Under the European Semester, the Commission submitted on 4 June 2025 to the Council 27 Recommendations for Council Recommendations on the economic, social, employment, structural and budgetary policies of Member States.

These recommendations combine economic and employment recommendations, based on Articles 121(2) and 148(4) of the Treaty on the Functioning of the European Union (TFEU). They are in line with Regulation 2024/1263, which is in force since 30 April 2024, and, as applicable, with recommendations on the preventive part of the macroeconomic imbalances procedure under Article 6(1) of Regulation 1176/2011.

Following the preparatory process at the Committee level, the approval of the employment and social aspects of the recommendations by the Council on 19 June 2025, and the discussion of the integrated country-specific recommendations by the European Council on the basis of a horizontal note on 26 June 2025, the Council will proceed to the formal adoption.

The final integrated Council Recommendations on the economic, social, employment, structural and budgetary policies of the Member States are set out in the documents listed in the annex of this note.
