ANNEX

ANNEX

to the

**REPORT FROM THE COMMISSION TO THE EUROPEAN PARLIAMENT, THE
COUNCIL, THE EUROPEAN ECONOMIC AND SOCIAL COMMITTEE AND THE
COMMITTEE OF THE REGIONS**

on the implementation of the EU Global Health Strategy

ANNEX

This non-exhaustive list of key actions serves to provide an update on the status of key actions for the implementation of the strategy as outlined in Annex 1 of the strategy.

| Actions | Supported by | Status |
|--|--------------------------------|--|
| GLOBAL LEVEL | | |
| 1. Set up a coordination system with EU Member States to ensure a powerful EU voice and leadership in global health in a Team Europe approach | EU4Health | Ongoing |
| 2. Expand the existing European Antimicrobial Resistance Surveillance Network into an integrated surveillance mechanism covering all pathogens. Supported by EU4Health. | EU4Health | Scope adjusted to Foster progress towards an integrated One Health Surveillance on Antimicrobial Resistance , through the Joint Action on AMR and Healthcare Associated Infections ¹ |
| 3. Leverage the potential of health data worldwide | EU4Health | Ongoing |
| 4. Foster mutually beneficial mobility arrangements with partners , including by supporting partner countries in training, recruiting, putting into action and retaining healthcare workers and ensuring their professional development through education as well as vocational training programmes for auxiliary staff | NDICI-Global Europe, EU4Health | Ongoing |
| 5. Follow up, monitoring and evaluation of the implementation of the EU global health strategy , publishing a report in principle every two years, supporting continuous dialogue and involvement of key stakeholders | EU4Health | Ongoing |
| 6. Support the United Nations Population Fund's Supplies Partnership on reproductive health commodities, helping to end unmet needs for family planning and preventable maternal mortality | NDICI-Global Europe | Ongoing |
| 7. Support the Global Fund against AIDS, tuberculosis and malaria , and health system strengthening | NDICI-Global Europe | Ongoing |

¹ [Surveillance | EU-JAMRAI](#)

| | | |
|--|---|----------------------|
| 8. Support the Universal Health Coverage Partnership administered by the WHO to advance universal health coverage and strengthen health systems in partner countries | NDICI-Global Europe, Emergency Support Instrument | Ongoing |
| 9. Support Gavi, the Vaccine Alliance to ensure the expanded uptake of vaccines against childhood illnesses and increasingly to support adult health (for example by administering the human papillomavirus vaccine) | NDICI-Global Europe | Ongoing |
| 10. Support the Pandemic Fund | NDICI-Global Europe | Ongoing |
| 11. Support the roll-out of COVID-19 vaccines in selected most under-vaccinated countries | NDICI-Global Europe, Emergency Support Instrument | Ongoing |
| 12. Support research and development of vaccines against emerging infectious diseases, including through the Coalition for Epidemics Preparedness Innovations (CEPI) | Horizon Europe | Ongoing |
| REGIONAL LEVEL | | |
| 13. Team Europe initiative on Manufacturing and Access to Vaccines, Medicines and Health Technologies in Africa to strengthen pharmaceutical systems and, together with health industries, the regional manufacturing capacity | NDICI-Global Europe and other instruments | Launched and ongoing |
| 14. Team Europe initiative to improve sexual and reproductive health and rights in sub-Saharan Africa, particularly among adolescent girls and young women | NDICI-Global Europe | Launched and ongoing |
| 15. Team Europe initiative on sustainable health security using a One Health approach in Africa to strengthen systems and capacities for sustainable, risk-informed prevention, preparedness, and response to infectious threats and antimicrobial resistance | NDICI-Global Europe | Launched and ongoing |
| 16. Team Europe initiative for Africa-based public health capacity through support to public health institutes in Africa, at national and regional levels and through partnerships between African Union and EU public health institutes | NDICI-Global Europe | Launched and ongoing |
| 17. Team Europe initiative on digital health for health system strengthening and universal health coverage to support strong and digitally enabled health systems in Africa | NDICI-Global Europe | Launched and ongoing |

| | | |
|---|---------------------|---------|
| 18. Support the Global Health EDCTP3 Joint Undertaking through a Team Europe approach and Team Africa coming to drive forward new solutions to reduce the burden of infectious diseases in sub-Saharan Africa, also addressing the rising threat of antimicrobial resistance and climate-crisis-related infectious disease challenges | Horizon Europe | Ongoing |
| 19. EU-Latin America and Caribbean Partnership on manufacturing vaccines, medicines and health technologies and strengthening health systems | NDICI-Global Europe | Ongoing |
| BILATERAL LEVEL | | |
| 20. Health system support and health system strengthening in partner countries to improve equitable access to essential care. | NDICI-Global Europe | Ongoing |
