Dear President,

Based on Article 314(4) and (5) of the Treaty on the Functioning of the European Union (TFEU), and following information by the Council that it could not accept all the amendments adopted by the European Parliament on 22 October 2025 on the Council's position on the draft budget for 2026¹, the Conciliation Committee was convened for 28 October 2025, with a view to reaching agreement on a joint text.

The Conciliation Committee had at its disposal the following elements:

- draft budget proposed by the Commission (COM(2025) 300 final of 9 July 2025), as amended by letter of amendment No 1 (COM(2025) 851 final of 9 October 2025);
- Council's position on the draft budget (5 September 2025);
- European Parliament's amendments to the Council's position (22 October 2025).

Following meetings on 4, 14 and 15 November 2025 an agreement has been reached on 15 November 2025 on a joint text as provided for in Article 314(5) TFEU.

2026 BUDGETARY PROCEDURE

CONCILIATION DOCUMENT

STATEMENTS

1. Joint statement by the European Parliament and the Council on payment appropriations

The European Parliament and the Council call on the Commission to continue closely and actively monitoring during the year 2026 the implementation of the programmes (particularly in sub-heading 2a and Rural Development). To that end, the European Parliament and the Council invite the Commission to present, in a timely manner, updated figures concerning the state of affairs and estimates regarding 2026 payment appropriations.

If the figures show that the appropriations entered in the 2026 budget are insufficient to cover the justified needs, the European Parliament and the Council invite the Commission to present as soon as possible an appropriate solution, inter alia a draft amending budget, with a view to allowing the European Parliament and the Council to take any necessary decisions as soon as possible without undue delay for justified needs. Where applicable, the European Parliament and the Council will take into account the urgency of the matter, shortening the eight-week period for a decision if deemed necessary. The same applies mutatis mutandis if the figures show that the appropriations entered in the 2026 budget are higher than needed.

2. Unilateral statement of the Commission on agencies

To ensure that the agencies deliver on their mandates in the most cost efficient way, the Commission acknowledges the need to continue to be extremely vigilant when assessing the budgetary needs of the agencies, whilst striving for efficiencies and rationalisations.
