## NOTE

To: Permanent Representatives Committee/Council

---

Subject: Council recommendation on the discharge to be given to the Commission in respect of the implementation of the general budget of the European Union for the financial year 2024

  - *Approval of a letter*

1. The Budget Committee examined the Court's annual report on the implementation of the EU budget for the financial year 2024<sup>1</sup> in January and February 2026.
2. The annual report contains an assessment of the reliability of the consolidated accounts of the EU and the legality and regularity of the underlying transactions for the revenue and expenditure of the EU budget, which form the basis for the Court's Statement of Assurance (DAS).
3. The Court concluded that the revenue for the financial year 2024 is legal, regular and free from material error.

4. The Court issued an adverse opinion on the legality and regularity of expenditure after finding that high-risk expenditure (mainly costs reimbursement type of spending, subject to complex rules) is affected by material error. Also, the Court considered that, similarly to the four previous years, the errors in expenditure were pervasive.
5. On 6 February 2026, the Budget Committee reached an agreement on the draft Council recommendation on the discharge to be given to the Commission in respect of the implementation of the general budget of the European Union for the financial year 2024. The text is set out in Addendum 1 to this note.
6. In accordance with Regulation (EU, Euratom) 2024/2509<sup>2</sup>, and in particular Article 70(4) thereof, and the Financial Regulations of each body, the Council is required to draw up recommendations to the European Parliament on a discharge to be given to the bodies set up under the TFEU and the Euratom Treaty, and which have legal personality and receive contributions charged to the budget. These draft recommendations are submitted for adoption by the Council as a separate “A” item<sup>3</sup>.
7. Furthermore, in accordance with Council Regulation (EC) No 58/2003<sup>4</sup>, and in particular Article 14(3) thereof, and Commission Regulation (EC) No 1653/2004<sup>5</sup>, and in particular the first paragraph of Article 66 thereof, the Council is required to draw up recommendations to the European Parliament on a discharge to be given to the executive agencies. These draft recommendations are also submitted for adoption by the Council as a separate “A” item<sup>6</sup>.

8. Moreover, in accordance with the relevant establishing acts and Article 70(4) of Regulation (EU, Euratom) 2024/2509, the Council is required to draw up recommendations to the European Parliament on a discharge to be given to the joint undertakings. These draft recommendations are also submitted for adoption by the Council as a separate “A” item<sup>7</sup>.
9. The Permanent Representatives Committee is invited to suggest that the Council:
- adopt the Council recommendation on the discharge to be given to the Commission in respect of the implementation of the general budget of the European Union for the financial year 2024 as set out in Addendum 1;
  - approve the general comments accompanying the recommendation, as contained in the ANNEX to the same Addendum 1;
  - instruct the President of the Council to have the abovementioned Council recommendation, together with the comments accompanying it, forwarded to the European Parliament, and approve the draft letter in the ANNEX to that effect.
