Ms Tineke Strik (Greens/EFA, NL) was rapporteur for the file, and LIBE is the lead committee. The European Parliament has not adopted its negotiating mandate during the last Parliament term. Regulation on strengthening the security of identity cards of Union citizens and of residence documents issued to Union citizens and their family members exercising their right of free movement

On 24 July 2024, the Commission submitted its proposal for a Regulation on strengthening the security of identity cards. The proposal essentially reproduces the text of Regulation (EU) 2019/1157 as adopted by the Parliament and the Council, which was declared invalid by the Court of Justice (C-61/22, Landesgericht Wiesbaden), due to it having been adopted on an incorrect legal basis. The correct legal basis according to the Court was Article 77(3) TFEU. This means that it should have been adopted through the special legislative procedure, which requires unanimity in the Council and consultation of the EP. The EP was requested to give its opinion by 12 November 2024. At the request of the EP, Coreper approved an extension of the deadline until 15 April 2025.
